[Slow, slow blues in Bm]

Verse 1:

It's been a long, long road, Baby,
But I believe I can see the end.
Yes, it's been a long, long road, Baby,
But I do believe I can see the end.
And the worst part about it is
I believe I'm losing my very best friend.

Verse 2:

When we first started, Baby,
Oh, you couldn't get enough of me.
Yes, when we first started, Baby,
Oh, you really couldn't get enough of me,
But now it seems as if
Living life with me is misery.

LEAD: Harmonica

Verse 3:

Every day I wonder, Babe,
What in the world I did so bad.
Yes, every day I wonder, Babe,
What in the sweet world I did so bad.
To take a happy, bright-eyed girl
And turn her into something oh, so sad.

BRIDGE:

You always used to smile,
Now you crying all the time.
I ask you what is wrong,
And you tell me you are just fine,

LEAD: Guitar

Verse 6:

It's been a long, long road, Baby,
But I believe I can see the end.
Yes, it's been a long, long road, Baby,
But I do believe I can see the end.
And the worst part about it is
I believe I'm losing my very best friend.
