A

E

Let's do something else, Like take a stroll 'round the block.

B

When I hear those words, Just wanna' get up and walk,

E

Baby, please don't be sayin', "Baby, we gotta talk."

Verse 1 (no "walking" bass during verses; stick to a dominant "E" backbeat):

E

Up in the mornin, You're talkin' to me,

You ask where I been, Until a quarter to three.

Now I can't remember, What I was doin' last night,

But one thing's for sure, I really don't wanna fight.

CHORUS 2 (With harmonica accents):

HARMONICA SOLO

VERSE 2:

It's time for a gig, And so I head out the door,

I hope I ain't doin', Like I done before.

I'm playin' my sets, Then I'm goin' back home.

I ain't gonna leave That little woman alone.

CHORUS 3 (With harmonica accents):

VERSE 3 (This verse played ONLY during live performances; not on CD):

Well we had a good show, And now I'm packed up and done,

The party's just startin', Hey, but I gotta run.

Ain't doin' the same, Like I done before,

It's time to go home, And so I'm out for the door.
